

January	February	March	April	May	June	July	August	September	October	November	December
Oenoe hybromella			00283						May		
Homosetia bifasciella			00287						May		
Hybroma servulella			00300						June - July		
Xylesthia pruniriella			00317						Mid- June - Mid September		
Kearfottia albifasciella			00319						July		
Amydria effrentella			00334						June - July		
Acrolophus arcanelia			00340						June		
Acrolophus mortipennella			00366						June		
Acrolophus morus			00367						June - July; September to early November		
Acrolophus plumifrontella			00372						April to October		
Acrolophus popeanella			00373						May to September		
Acrolophus texanella			00383						June		
Tinea apicimaculella			00392						June- September		
Tinea carnariella			00394						June		
Tinea pellionella			00405						Through year indoors		
Trichophaga tapetzella			00413						Through year indoors		
Monopis crocicapitella			00415						April & June		
Monopis laeigella			00415.1						May; August		
Monopis dorsistrigella			00416						June- August		
Monopis monachella			00418						Late July - Early August		
Monopis spilotella			00421						May - June		
Setomorpha rutella			00428						July		
Tineidae sp.			00434.96						July		

January	February	March	April	May	June	July	August	September	October	November	December
Psyche casta			00437						Late June		
Thyridopteryx ephemeriformis			00457						September- October		
Philonome clemensella			00462						July - August		
Paraleucoptera albella			00475						June - July		
Bucculatrix montana			00486						May		
Bucculatrix simulans			00490						Late April		
Bucculatrix angustata			00522						June		
Bucculatrix coronatella			00559						May		
Bucculatrix sp.			00559.97						May		
Bucculatrix canadensisella			00560						May		
Bucculatrix ainsliella			00572						July		
Caloptilia azaleella			00592						June		
Caloptilia belfragella			00594						April - August		
Caloptilia bimaculatella			00595						June - August		
Caloptilia blandella			00596						June - August		
Caloptilia negundella			00615						May - August		
Caloptilia ostryaeella			00618						Late June - August		
Caloptilia rhoifoliella			00630						May - July		
Caloptilia stigmatella			00639						August		
Caloptilia superbifrontella			00641						September		
Caloptilia umbratella			00642						June - August		
Caloptilia violacella			00644						July - August		
Parectopa occulta			00654						May		

January	February	March	April	May	June	July	August	September	October	November	December
Cameraria caryaefoliella			00811						July		
Cameraria cincinnatiella			00815						June - August		
Cameraria guttifinitella			00822						October		
Cameraria hamadryadella			00823						May - July		
Cameraria hamameliella			00824						September		
Cameraria ostryarella			00832						July		
Cameraria sp.			00841.97						June		
Chrysaster ostensackenella			00842						August		
Porphyrosela desmodella			00843						August		
Phyllocnistis insignis			00846						June - October		
Phyllocnistis populiella			00852						August		
Agonopterix hyperella			00856						August		
Agonopterix curvilineella			00859						July - August		
Agonopterix clemensella			00862						March - August		
Agonopterix pulvipennella			00867						May - August		
Agonopterix walsinghamella			00869						March - April		
Agonopterix alstroemeriana			00874.1						June - August; October		
Agonopterix ciliella			00877						March		
Agonopterix flavicomella			00880						June		
Agonopterix robiniella			00882						June - October		
Agonopterix thelmae			00884						July - September		
Agonopterix lecontella			00886						April		
Agonopterix argillacea			00889						June & October		

January	February	March	April	May	June	July	August	September	October	November	December
Agonopterix nebulosa			00894						May - June		
Depressariodes gracilis			00902						March - April; July		
Semioscopis packardella			00912						April		
Semioscopis inornata			00914						April, October		
Depressaria pastinacella			00922						April - September		
Depressaria daucella			00924						February - April		
Machimia tentoriferella			00951						June - October		
Psilocorsis reflexella			00957						March - September		
Pyramidobela quinquecristata			00961						October		
Ethmia apicipunctella			00978						May - September		
Ethmia zelleriella			00992						April - July		
Ethmia trifurcella			01003						August		
Antaeotricha schlaegeri			01011						April - August		
Antaeotricha leucillana			01014						April - August		
Antaeotricha osseella			01015						May; September		
Antaeotricha humilis			01019						August		
Gonioterma mistrella			01032						June		
Decantha boreasella			01042						June - August		
Epicallima argenticinctella			01046						June - September		
Epicallima nathrax			01047						July - August		
Mathildana newmanella			01059						April - June		
Eido trimaculella			01068						June		
Elachista acenteta			01091						July		

January	February	March	April	May	June	July	August	September	October	November	December
			01100						July		
			01126						August - September		
			01129						July - August		
			01134						July		
			01144						July		
			01154						September		
			01162						March; June - July; September		
			01167						June		
			01238.97						August		
			01254						May		
			01257						June - July		
			01261						June - August		
			01268						May		
			01301.1						June - August		
			01349						July - August		
			01365						July - September		
			01368						August		
			01387						May - July		
			01388						June - September		
			01389						May - July		
			01398.2						June		
			01398.97						June - July		

January	February	March	April	May	June	July	August	September	October	November	December
Chedra pensor			01418						May		
Mompha capella			01432						May - June		
Mompha circumscriptella			01434						April - October		
Mompha definitella			01440						July		
Mompha eloisella			01443						May - August		
Mompha murfeldtella			01448						May - July		
Euclementia bassettella			01467						May - September		
Cosmopterix pulchrimella			01472						June - August		
Cosmopterix gemmiferella			01490						May - July		
Cosmopterix clemensella			01493						June - July		
Stigmatophora wyattella			01509						May - August		
Limnaecia phragmitella			01515						June - August		
Triclonella determinatella			01527						August		
Stilbosis tesquella			01609						July		
Walshia miscecolorella			01615						May - November		
Walshia amorphella			01616						September - October		
Walshia exemplata			01618						June		
Perimede erransella			01623						June		
Perimede parilis			01627						June		
Perimede parilis			01631						June - July		
Scythris limbella			01673						July		
Metzneria lappella			01685						April - August		
Metzneria paucipunctella			01686						July - August		

January	February	March	April	May	June	July	August	September	October	November	December	
Isophrictis rudbeckiella			01700							August		
Isophrictis similiella			01702							June		
Monochroa angustipennella			01707							June		
Monochroa gilvulinella			01710							June		
Chrysoesthia sexguttella			01719							June - August		
Theisoa constrictella			01722							May - June; August		
Stereomita andropogonis			01725							September		
Aristotelia elegantella			01736							August		
Aristotelia fungivorella			01738							June; August		
Aristotelia roseosuffusella			01761							June - October		
Aristotelia rubidella			01762							June		
Coleotechnites australis			01793							July		
Coleotechnites invictella			01814									
Coleotechnites nigrinus			01823							June		
Coleotechnites quercivorella			01828							June		
Coleotechnites thujaella			01832							July		
Taygete attributella			01842							June - July		
Arogalea cristifasciella			01851							April - August		
Athrips mouffetella			01852							July		
Telphusa latifasciella			01857							June		
Pseudotelphusa quercinigracella			01874							May		
Deltophora glandiferella			01927							June		
Gnorimoschema gallaesolidaginis			01986							August - October		

January	February	March	April	May	June	July	August	September	October	November	December
Chionodes trichostola			02120						July - August		
Chionodes ensis			02123.1						June		
Fascista cercerisella			02204						April - October		
Stegasta bosqueella			02209						June - September		
Polyhymno luteostrigella			02211						August		
Battaristis concinusa			02225						July - August		
Battaristis vittella			02229						July - August		
Anacamptis agrimoniella			02230						June - July		
Anacamptis levipedella			02241						August		
Strobisia iridipennella			02253						June		
Helcystogramma fernaldella			02267						April - May		
Helcystogramma hystricella			02268						May - June; August		
Brachyacma palpigera			02272						July - August		
Dichomeris glenni			02278						June - August		
Dichomeris ligulella			02281						April - October		
Dichomeris ventrella			02287						July - August		
Dichomeris ochripalpella			02289						June - August		
Dichomeris bilobella			02291						July		
Dichomeris aleatrix			02291.1						June		
Dichomeris citrifoliella			02292						May; August		
Dichomeris costarufuella			02293						July		
Dichomeris flavocostella			02295						May - August		
Dichomeris inserrata			02297						June - July		

January	February	March	April	May	June	July	August	September	October	November	December
Dichomeris pelta			02297.1						September		
Dichomeris juncidella			02298						May - June; August		
Dichomeris leuconotella			02299						May - June		
Dichomeris setosella			02302						May & August		
Dichomeris vindex			02302.1						June - July		
Dichomeris simpliciella			02303						July		
Carposina sasakii			02314						June		
Epermenia imperialella			02325						May - June		
Epermenia albapunctella			02328						May		
Abrenthia cuprea			02336						May		
Glyphipterix quadragintapunctata			02338						May & July		
Diploschizia impigritella			02346						June - July		
Homadaula anisocentra			02353						July - August		
Plutella xylostella			02366						April - October		
Ypsolopha nella			02388						Late June - August		
Atteva pustulella			02401						March - November		
Swammerdamia caesiella			02413						May - July		
Yponomeuta multipunctella			02420						Late May - July		
Argyresthia austerella			02441						June		
Argyresthia oreasella			02467						May - August		
Argyresthia subreticulata			02479						June - July		
Argyresthia thoracella			02480						June		
Neoheliodines nyctaginella			02502						July		

January	February	March	April	May	June	July	August	September	October	November	December
Paralobesia liriodendrana			02711						August		
Paralobesia viteana			02712						March; May - July		
Paralobesia rhoifractana			02716						August		
Paralobesia palliolana			02720						May		
Lobesia carduana			02728						August		
Endothenia heinrichi			02733						June		
Endothenia hebesana			02738						April - August		
Endothenia microptera			02741						July - August		
Endothenia nubilana			02743						May - August, October		
Taniva alboineana			02745						May and August		
Eumarozia malachitana			02749						May - September		
Zomaria interruptolineana			02750						April		
Apotomis capreana			02753						August		
Apotomis frigidana			02756						May		
Apotomis brevicornutana			02758								
Apotomis deceptana			02765						August		
Apotomis infida			02767						April		
Apotomis removana			02768						August		
Pseudosciaphila duplex			02769						May - June		
Orthotaenia undulana			02770						May - September		
Phaecasiophora niveiguttana			02772						Mid August - Mid September		
Olethreutes nitidana			02775						June - August		
Olethreutes furfuratum			02776						July - August		

January	February	March	April	May	June	July	August	September	October	November	December

Dypterygia rozmani			09560						May - September		
Hyppa xylinoides			09578						April - September		
Nedra ramosula			09582						April - October		
Phosphila turbulenta			09618						May - September		
Phosphila miselioides			09619						April - August		
Trachea delicata			09626						May - September		
Paratrachea viridescens			09627						May		
Neophaenis boucheri			09628						August		
Callopietria mollissima			09631						April - June; August		
Callopietria cordata			09633						June - Late August		
Magusa divaricata			09637.1						August		
Amphipyra pyramidoides			09638						July - November		
Amphipyra tragopoginis			09639						July		
Amphipyra glabella			09640						June - July		
Proxenus miranda			09647						May - September		
Athetis tarda			09650						May - August		
Crambodes talidiformis			09661						May - August		
Balsa malana			09662						April - September		
Balsa tristrigella			09663						April - August		

January	February	March	April	May	June	July	August	September	October	November	December
Balsa labecula			09664						April - July		
Spodoptera exigua			09665						October		
Spodoptera frugiperda			09666						July - October		
Spodoptera ornithogalli			09669						April - November		
Spodoptera dolichos			09671						August - September		
Spodoptera androgea			09671.1						August - October		
Elaphria versicolor			09678						April - July		
Elaphria chalcedonia			09679						June - September		
Elaphria festivoides			09681						April - July		
Elaphria alapallida			09681.1						April - August		
Elaphria grata			09684						April - October		
Galgula partita			09688						March - October		
Perigea xanthioides			09689						May - September		
Condica videns			09690						April - August, October		
Condica temecula			09691						June - August		
Condica mobilis			09693						April; June - August		
Condica vecors			09696						April - September		
Condica sutor			09699						July		
Ogdoconta cinereola			09720						April - October		
Azenia obtusa			09725						May - August		
Plagiomimicus spumosum			09748						August		
Plagiomimicus pityochromus			09754						July - September		
Cirrhophanus triangulifer			09766						August - September		

January	February	March	April	May	June	July	August	September	October	November	December
Metaxaglaea inulta			09943						Late August - November		
Metaxaglaea semitaria			09945						Early September - Late December		
Epiglaea decliva			09946						October - December		
Sunira bicolorago			09957						August - December		
Sunira verberata			09960						October		
Anathix ralla			09961						June; August - October		
Anathix puta			09962						August - November		
Mniotype ducta			09987								
Sutyna privata			09989						April		
Pachypolia atricornis			09992						July - October		
Brachylomia discinigra			09999						April - August		
Brachionycha borealis			10011						April		
Psaphida electilis			10012						March - May		
Psaphida grandis			10013						April		
Psaphida rolandi			10014						March - April		
Psaphida resumens			10019						March - May		
Psaphida thaxterianus			10020						March		
Copivaleria grotei			10021						March - May		
Catabena lineolata			10033						May - August		
Catabena sagittata			10034						July		
Sympistis badistriga			10059						July		
Sympistis infix			10065						May - June		
Sympistis chionanthi			10067						September		

January	February	March	April	May	June	July	August	September	October	November	December
Sympistis saundersiana			10099						May		
Cucullia intermedia			10194						May - August		
Cucullia florea			10197						May		
Cucullia asteroides			10200						May - September		
Cucullia convexipennis			10202						June - August		
Anarta decepta			10259								
Sideridis congermana			10266						June		
Sideridis maryx			10268						May - July		
Polia nimbosea			10275						June - Early August		
Polia imbrifera			10276						June - August		
Polia purpurissata			10280						July - September		
Orthodes detracta			10288						May		
Orthodes goodelli			10289						June - August		
Orthodes obscura			10290						May - August		
Morrisonia latex			10291						May - June; August		
Melanchra adjuncta			10292						May - September		
Melanchra picta			10293						May - September		
Melanchra pulverulenta			10294						April		
Lacanobia nevadae			10296						June		
Lacanobia subjuncta			10299						May - September		
Lacabonia grandis			10300						May - August		
Papestra biren			10311						July - August		
Hadena ectypa			10316						June		

January	February	March	April	May	June	July	August	September	October	November	December
Leucania inermis			10459						May - September		
Leucania ursula			10461						April - October		
Leucania pseudargyria			10462						May - September		
Orthosia rubescens			10487						March - April		
Orthosia garmani			10488						February - April maybe June		
Orthosia alurina			10491						February - March		
Orthosia hibisci			10495						February - May
